# ❖ Brief Introduction

台州市五洲船业有限公司位于浙江省中部沿海城市——台州市海门港（E121° 25' 、N28° 38' ）。

公司创建于1956年，原属小型的国有修造船企业，已有40多年的修造船历史，可直接对外承接各类船舶的修造业务。目前企业已具备修造27000吨以下各类船舶的能力。

自2005年3月经台州市中远造船厂董事长潘学剑独资经营后，企业主体经营方向由内转外，现与挪威、新加坡、德国、香港、台湾等国家和地区的航运公司建立了合作伙伴关系。另外，2006年5月与挪威I.M.斯考根海运集团合作成立了台州市斯考根五洲船业有限公司。随着首艘“没问题”号液化气船和后续船“秦始皇”的顺利交接，公司一跃成为国内首家建造LPG（液化气）类型船的民营企业。

公司地处浙江省台州市椒江区前所街道沿江路57号，占地面积160000平方米，江岸线长420米，海域范围面积60472平方米。现有固定资产近1.8亿元。员工800余人，拥有经验丰富，配置齐全的施工队伍和雄厚的技术力量，其中高级工程师、工程师、技师等各类高中级技术人员58人，各专业技术工120人。能够按照国际各大船级社的规范和国际公约修造各类船舶。企业已通过ISO9001:2000认证，德国劳氏船级社焊接车间认可，是中国船舶工业协会会员单位、浙江省船舶工业协会理事单位、上海船舶工业协会成员单位和游艇协会会员单位，在国际修造船行业里享有良好的声誉。

## ❖ ❖ ❖ 公司简介

Taizhou Wuzhou Shipbuilding Co., Ltd. is located at Haimen Harbor (E121° 25' , N28° 38' ) of Taizhou, a coastal city in the middle of Zhejiang province.

It was founded in 1959, and it was a small-scaled state-owned shipbuilding and repairing enterprise with a history of more than 40 years. It has the ability to undertake the business from abroad directly. Nowadays, it is capable of building and repairing vessels under 27000T.

In March 2005, Mr. Pan Xuejian, the boss of Taizhou Zhongyuan Shipbuilding Company, bought the yard and hold its share solely. Then it was transformed to an export-oriented enterprise. Up till now, it has many shipping partners in Norway, Singapore, Germany, Hongkong, Taiwan, etc. In May, 2006, a cooperative enterprise——Taizhou Skaugen Wuzhou Shipbuilding Industry Co., Ltd. was founded between Wuzhou and I.M.Skaugen(Norway). After the successful delivery of the first LPG vessel “No Problem” and her sister LPG vessel “Qin Shi Huang”, Wuzhou becomes a pioneer private-owned enterprises building LPG carriers in China.

It is now located at YanJiang Rd.57#, QianSuo Strt., JiaoJiang District., Taizhou City. With a 160,000 square meters land, 420 meters river line, 60,472 square meters marine space, and the capital asserts of 180 millions, it has more than 800 employees that are including 58 experienced engineers, technicians as well as 120 professional workers in all aspects. With all of those resources, it can build and repair vessels according to the different Class Rules, international conventions and standards. Besides, it has been qualified for ISO 9001:2000 certification and GL welding workshop approval. Moreover, it is one of the directors in Zhejiang Association of Shipbuilding Industry, a member of CANSI, Shanghai Association of Shipbuilding Industry, and a member of China Association of Yacht. By these, it enjoys a favorable reputation in international shipbuilding industry.
